

Support Our Troops

Pet Hub Animal Rescue Joins Forces with Operation Paperback

During the month of January, Pet Hub Animal Rescue is collecting gently used paperback books and is sending them to American troops deployed overseas, to military and veterans hospitals located within the United States, as well as USO centers at US Airport transit points.

Bestsellers, action and spy-novels, murder mysteries, fantasy and science fiction are the most popular genres requested by our service men and women. Also high on the list are requests for business and investing books, classics, history (especially military history), and current event-oriented non-fiction. Pornography or sexually explicit materials are not accepted and will not be sent to the troops.

Our service members make sacrifices every day for our country. It takes so little to let them know that we appreciate what they are doing for us. When you donate to Operation Paperback, you will let our troops know that you support them, and you have not forgotten them.
